Protect Your Investment!

In New York, product is DMSC.

ONE CAR IS STOLEN EVERY 20 SECONDS**

With Etch ANTI-THEFT WARRANTY...
your benefits start immediately.

Insurance Discounts: Many insurers in most states will discount your comprehensive auto policy premium when you have the etch anti-theft identification etched on your vehicle.

Theft Deterrence: Auto thieves will avoid your vehicle because with etch they will have to replace all of the glass, not simply remove the VIN plate as on unprotected cars.

Quick Recovery: Etch helps law enforcement return the vehicle to its owner instead of impounding it while proof of ownership is established.

Up to \$5000*: If your vehicle is declared a total loss due to theft. This credit is in addition to what your insurance covers. The credit is guaranteed if you return to the issuing dealership for a term up to 5 years.

Ask About Our Full Replacement Plan.

If your etched vehicle is stolen and declared a total loss due to theft, we will replace your vehicle with the same make and newest model year.

Our full replacement warranty will credit you up to \$25,000* when you return to the issuing dealership for your replacement vehicle.

* See warranty form for details. \$25,000 full replacement warranty not available in NY.
