Why compromise when it comes to **Your Vehicle?**

Now there's a way for you to **Protect Your Investment...THE CHOICE Engine and Transmission Warranty is an exclusive Fully Insured Product Warranty.**

THE CHOICE ENGINE AND TRANSMISSION WARRANTY is an easy, straight forward and uncomplicated **PROTECTION PROGRAM FOR VEHICLES NOT COVERED BY A WARRANTY.** It provides you with protection on all internally lubricated engine and transmission parts including the water pump. This is a fully insured **PRODUCT WARRANTY** program backed by an A Rated Insurance Company.

Program features include:

- ✓ 5 YEARS OR 100,000 MILES coverage
- ✓ All vehicles are eligible **REGARDLESS OF ODOMETER READING**
- ✓ 90 day and 1,000 mile initial exclusion period to assure program integrity

Treatment Product package mailed

directly to you within 7 days of your registration processing and includes:

- **THE CHOICE** Treatment Product.
- Details about the Treatment Product.
- Clear and easy to understand instructions guide you to simply pour the Treatment Product into the cooling system overflow reservoir.
- Customer Satisfaction Survey card to provide feedback to help better service you.

Benefits: (Up to \$6,500)

- **ENGINE** up to \$3,000 toward the repair or replacement of all internally lubricated parts, including block and heads if failure due to pistons, piston rings, piston pins, crankshaft and main bearings, rods and rod bearings, timing chain and gears, intake and exhaust valves, valve springs, oil pump push rods, rocker arms, lifters, rocker arm shafts and water pump.
- **TRANSMISSION** up to \$2,000 toward the repair or replacement of internally lubricated parts including torque converter, oil pump, governor, bands, drums, planetaries, sun gear and shell, sprag(s), bearings, shift rail, forks, synchronizers, etc.
- **TRANSFER CASE*** up to \$1,500 toward the repair or replacement of internally lubricated parts.

*With surcharge only

- **TOWING** up to \$75 and **CAR RENTAL** up to \$100 per occurrence.
